

## Plebiscite June 3 in Newfoundland

### Islanders Choose Future Form of Government

ST. JOHN'S, Nfld., April 26.—(CP)—Newfoundlanders will vote June 3 in a national referendum to choose their future form of government. Date of the plebiscite was announced by the commission government here Saturday.

Three choices are to be set before the 330,000 island people. They are:

1. Retention of commission government.
2. Return to responsible government.
3. Confederation with Canada.

With the announcement, Canada's first plebiscite was held in a section seeking union with Canada and of the anti-unionists to become more heated. Both sides have been using the radio, newspapers and pamphlets to set their arguments before the colony.

It had been generally known that the plebiscite would be held late in May or early in June. The British government had requested the national convention to meet in January to ensure a late May or early-June referendum. The meeting wound up on June 3.

It is not likely that returns will be complete before the following week. Many returns from the island will take several days to reach St. John's.

## Death Toll In Floods Now 11

(Continued from page 1)  
was returning to his farm home where the craft overtook him.

In Saskatchewan, H. F. Berry, chairman of the Saskatchewan Power Commission, said a power shortage might result from a flood in neighboring Alberta were unable to produce because of flood conditions.

General throughout the province, the snow added new worries to flood control officials who had thought waters, which had taken at least eight days and left hundreds homeless, receding.

Temperatures are expected to rise 20 degrees below normal tonight, a 24 in. C.D.T. reading at 25. Forecast high for the day was 32. Manitoba's two worst trouble zones were Winnipeg and Emerson, the latter 50 miles south of the capital of the Manitoba-Manitoba border. The swollen Red River reached a 34-year-high of 44.8 feet at Emerson Sunday.

Originally expected late Saturday, the flood crest of the Red River was expected to crest Sunday night and town officials decided to evacuate all residents when it might come. Town Council held an emergency meeting at which it was decided to set up a relief centre at Emerson Sunday.

Emerson authorities sent out an urgent request to Winnipeg army headquarters Sunday for an "amphibious vehicle" and a helicopter. The craft will be used to evacuate families from flooded homes.

At the time of the request, Emerson's two main streets were under water to a depth of four feet while some sections of the town were under nine feet of water.

A second carload of drinking water reached Emerson from Winnipeg during the weekend and Mayor W. R. Porter requested a third carload. Ten cases of condensed milk to be used for children, also was requested of Red Cross headquarters in Winnipeg.

**SAVED BARRICADES**  
Railway work gangs threw up sandbagged barricades along the approach to two bridges on the outskirts of Emerson. Hundreds of home-bound Canadians, stranded at Noyes, Minnesota, got entry opposite Emerson. Some left their cars stranded in garages and continued home by train while others finished their journey by chartered plane.

Without the aid of the Canadian National Railway line from Calgary to Drumheller have caused extensive re-routing of trains that passengers arriving in Calgary today said it took them 16 hours for the normal three-hour run.

Highways bordering the railway fields were reported washed out much of the emergency route through Munton, Brandon and a number of small, unadorned automobiles were sighted.

Passengers from Saskatoon arriving in Calgary said a mile-long section of the CNR line north of Hanna, Alberta, was under water.

Calgary No. 1 branch of the Canadian Legion today agreed a drive to aid flood victims in the Drumheller valley and unanimously voted to start the drive with a \$400 donation.

Meanwhile the situation at the valley was believed to have improved slightly, but it was not known what effect the new snowstorm would have. An emergency meeting was in the city of Drumheller to organize various measures in the area.

More than 400 cars and trucks were laid off by the forced closing of three mines due to the floods and a number of other mines and small towns with reduced sales as some miners were unable to report for work.

Altogether flood victims are all "being looked after" according to Hon. C. W. Cross, acting premier, today.

Dr. Cross said the provincial government is attending to the needs of those rendered homeless by flood conditions. He would not comment further.

"She dropped in a note saying to notice the little red head in the filing department. Now she's MARRYING the boss next week!"

REGINA, April 26.—(CP)—Walter Tucker, Saskatchewan Liberal, said today 10 or 15 Liberal members from Saskatchewan could have prevented the 21-per cent freight

He said he had made the "strongest possible representation" to the government against the increase and had argued against it in the house.

"Unfortunately there was not even one other private Liberal member from Saskatchewan to back up the stand I took," he said in an address prepared for unrecorded radio delivery.

He said the CCF had promised that "if we elected a solid phalanx of CCFers in the house, they would stand solidly for a fair deal for Saskatchewan, they would see we got real justice."

But the province had elected 18 CCF members out of a possible 21 and the result was "the most adverse freight rate decision Western Canada has had to endure for 20 years."

He said that if the rest of Canada supported the CCF its policy would be dominated by the Canadian Congress of Labor, which had come out in favor of the increase.

**HOLIDAY PAY OK'D**  
A satisfactory settlement of the question of payment for statutory holidays was reached between the union and the board of directors.

Regarding the special increase asked for clarified laborers and coal-plants, the board had agreed to support the parties had agreed to give the question further study. If unable to reach agreement privately, they will ask federal labor minister to mediate to the board to deal with the question.

## Weeks' Drama Festival Commences in Ottawa

By Key Rex  
OTTAWA, April 26.—(CP)—One last peek at their lines and Canada's young theatre hopefuls will be ready to plunge today into the ninth Dominion Drama Festival.

My train and his have been pouring into the capital, which hasn't seen such a contest in 11 years.

The early arrivals, from Vancouver and Saint John, N.B., already have given the stage of the Little Theatre the once-over.

And on its stage this year the host entry of the Ottawa Drama League will be the first of 14 groups to throw its hat in the ring for the prized Bensbrough trophy.

Two matinees will present a three-act melodrama, "Papa Is All," by Patterson Green, to the government against the increase and had argued against it in the house.

**TOUGH COMPETITION**  
But the ODL can expect tough competition from the other groups, which are bringing one-act and three-act plays, some popular, some classic, some French, some English.

And Adjunct Robert Speaight will have a job on his hands because all of them have an eye on that trophy as well as several other awards.

Wednesday the Theatre Guild of Saint John, N.B., presents "The Barretts of Wimpole Street" by Terence Rattigan, produced by Robert Speaight.

**SATURDAY MATINEE**  
Saturday's matinee will see two one-act plays, the first of which is "Victoria Regina," by Laurence Housham, produced by

## Margarine Here Would Cut Europe Supplies Of Food

By Key Rex  
OTTAWA, April 26.—(CP)—Veterans Affairs Minister Gregg declared here Saturday that manufacture of oleomargarine in Canada, if permitted at the present time, would mean more hunger in Europe.

Gregg, veteran of two wars, said he had eaten plenty of margarine during his military service and did not agree with claims that it would be harmful to health.

"However, if we were to import it from the south or produce it in Canada at the present time, it would mean that vegetable oil would be taken from Europe," he said.

"There is a great deal of starvation in Europe and we must not deprive them of desperately-needed fats."

**Tories To Support  
Independent Party**  
RED DEER, April 26.—(CP)—Percy Page of Edmonton, provincial leader of the Alberta Independent Party, addressed a meeting of party delegates here Saturday. The meeting unanimously adopted a motion to continue the party. Progressive Conservative party members present pledged their continued support of the party, which was formed from Liberal and Progressive Conservative party supporters after the Social Credit government took power.

## B.C. Accident Death Toll 5

VANCOUVER, April 26.—(CP)—A motor-vessel sinking and a fire-rig accident combined to bring deaths to five persons in British Columbia during the week-end.

Three persons were drowned yesterday when a small motor-vessel capsized under the Lions Gate Bridge spanning the Vancouver harbor entrance. The dead: Steve Glog, Jean Hargie and Mitchell Knisk, all of Winnipeg.

The boys lost their lives at Vernon in an explosion at a gas army ranger near the city. The Police said death apparently had resulted from the explosion of a two-inch shell. Those killed were Samuel Kishaba and Mike Chudy, both 18.

# Canada and Australia Commonwealth Pivots

Australia is now one of the most prosperous nations in the world, Hon. F. M. Forde, Australian High Commissioner to Canada stated in an interview in the Macdonald hotel today.

## MERELY MADE SLIGHT MISTAKE

"Show me the way," Police were summoned at 12:40 a.m. to a sleeping man on the steps of an apartment on 99 avenue, near 105 street.

They did. The man decided he could make it home and told police he had made a mistake. He actually lived two blocks away.

## Tools Stolen Over Weekend

Five thefts were reported to police over the weekend. V. C. Guthrie, 1028 108 street, reported theft of a kit of tools from a glove compartment in his car between 8 and 10:30 p.m. Friday. Car was not locked and was parked between McLeod building and Weber Brothers building. A generator was stolen from a tractor in the yard of International Harvester Company, Friday night. Theft was reported by P. M. Murray, assistant manager. A hydraulic jack and wrench were taken from a truck owned by D. E. MacLeod, 1028 85 street. Theft occurred while the truck was parked in front of MacLeod's home. A generator, 12554 97 street, reported theft of a steam engine. A radiator cap and ornament were taken from the parked car of T. Thornton, 12025 86 street, on Friday night. A missing truck and contents were reported by Leslie Romanachuk, 9604 106 avenue. Romanachuk claimed he left the truck with a roommate who he went to Yellowknife in December, 1966. The truck was not left to Romanachuk's home in Dunbar. When he returned this morning the truck had not reached his home.

## \$590,000 Oil March Output

Leduc oil field produced 17,088 barrels of crude during March as figures released by the Petroleum and Natural Gas Conservation Board. Value of the oil at current well head price is over \$390,000. The March yield boosted total production for the first quarter to a record in February, 1947, to 808,000 barrels. At the current rate of production the field will produce 1,000,000 barrels by the end of May. Daily average production during March was 5319 barrels. During the week ended April 1 the Leduc average was 6,571 barrels from 35 wells.

## TOP PRODUCER

Imperial Oil Limited, producer company, is the field's top producer. During March Imperial had a production of 121,802 barrels from 38 wells to bring the company's cumulative total for the field's discovery to 362,199 barrels. The independent producers in the field are Globe Company and Leduc West Oil.

## Alta. Army Cadets For Sarcee Camp

Canadian Army Cadets from Alberta will go to camp at Sarcee this summer July 8-17. Nearly 750 cadets are expected to attend the camp. The boys will live under canvas for the two-week period. Special events are expected to be participation in Calgary Stampede activities and displays by Sarcee Indians. Cadet corps instructors will attend a special camp at Royal Canadian School of Military Engineering in Chilliwack July 25 to August 14.

## Army Vacancies For Specialists

Canadian Army's recruiting program will not abate. Army headquarters in Ottawa said that although present recruiting is satisfactory, vacancies still exist in nearly all corps. Greater demand they add, for specialists and tradesmen. Latest figures place the strength of the active force at 16,166.

AMY ARMSTRONG SILVIA OLIVER THERESA MACDONALD

Like Canada, he said, Australia's secondary industries expanded greatly during the Second World War, and now the country is doing a good export business supplying countries in the Pacific.

Linking Canada and Australia, Mr. Forde said they are the main powers on which rests the British family of nations, and the future progress and prosperity of the British Commonwealth depends on the way they tackle their post-war problems.

He will be addressing a joint meeting of the Canadian and Girl Clubs Tuesday noon in the Macdonald hotel.

Referring to Australia's prosperity, Mr. Forde said the country has 100,000 jobs going begging for men to fill them. As a consequence, the government has launched an immigration program that will bring 75,000 Britishers and 15,000 displaced persons to the country annually.

KINDNESS REMEMBERED Great numbers of Canadians to the Australian men who trained in Canada in the Empire Training Scheme never be forgotten, the High Commissioner stated, adding that the 400 Canadian brides they treated with their Aussie husbands were a wonderful impression.

Mr. Forde expressed appreciation for the hospitality shown by Canadians to his family and himself during his visit to Canada. He is proud, he said, to represent his country in Canada, and would vouch that Canada was well served by the High Commissioner's visit.

He is leaving on Tuesday night for Saskatoon.

## City Entrants Compete For Beauty Queen Honor

Edmonton's Beauty Queen will be chosen in eliminations at USO Hut, Tuesday at 8:15 p.m.

Winner will represent Edmonton in a province-wide contest to be held immediately before the Calgary Stampede.

Seven entrants from various districts of Edmonton will compete here.

They are Joan Farley, 17, 1140 10 street; Patricia Higginson, 17, 924 9 street; Seena Centre; Dorothy MacLeod, 18, 2909 106A street; Rosalinda Patricia Higginson, 19, 3002 102A avenue, Riverdale.

Officials of Associated Commercial Travellers, sponsors of the contest, emphasized the selection will be made on deportment and personality as well as good looks.

Girls will parade in evening dress and make short addresses.

Competitors in final contest at Calgary will be given a free trip to Banff while the winner will get an expected tour of a two-hour and the west coast.

The contest is being held at headquarters, Western Command, starting today and will continue until commencement exams, on May 1.

A series of instructional classes designed to help candidates in the exams, include such subjects as organization, administration, military law, staff duties, current affairs and military history.

The present studies follow months of preparation of home study on the part of each candidate.

The active force officers now in Edmonton range in rank from captain to lieutenant-colonel and represent such areas as the Pacific coast, Calgary, Edmonton and the Northwest highway system.

Upon completion of intensified study, candidates will spend a week writing entrance exams.

Successful candidates will be eligible for entrance into the Canadian Army's staff college at Kingston, Ont., where they will undergo a further year of military studies.

## Winter Renewals Prairie Onslaught But Mild In East

Eastern Canada basked in balmy breezes Sunday while prairie frosts stared in disbelief at a watery scene today. High in Canada Sunday was Toronto with 66, while mercury slid to a shivery 14 at Fairview. Other temperatures were:

## War-Time Missionary Gives Own Experience

The word of God cannot be imprisoned. Rev. W. H. Hudspeth, secretary of the British and Foreign Bible Society in Canada, chose this for the subject of his address to congregation of First Presbyterian Church here Sunday.

### CANADA'S TOYS ACKNOWLEDGED

"Thank-you" letters from many British soldiers and cities have been received at Canadian Army Headquarters in Ottawa.

They were for the shipment of 81 cases of toys made by Canadian soldiers in army hobby shops and given out in Britain last Christmas.

In "it, more than 3,500 toys were given to underprivileged children as gifts from Canada. Shipment was made in conjunction with the Canadian Red Cross.

## Dental School Head Honored

Honorary membership in the Edmonton and District Dental Society is to be presented to Dr. H. E. Bulysa, at a dinner in the Macdonald hotel tonight.

Dr. Bulysa, who, for 15 years, director of the Dental School at the University of Alberta. He retired in 1944.

The presentation is being made in connection with the Edmonton and District Dental Society Clinic being held Monday in the Macdonald.

Among the speakers at the clinic will be Dr. D. J. Coupland of Ottawa who will speak on the X-ray and Oral Diagnosis.

## No "Pink Slips" For Alberta Drivers

Alberta government has not contemplated the issue of "pink slips" to cover motorists from this province who visit B.C.

Announcement was made in Regina on Saturday that the Saskatchewan government was issuing slips to touring motorists from that province, in order to meet "financial responsibility clauses" in B.C. legislation.

Hon. A. J. Hoek, provincial secretary said today Alberta had not discussed similar action.

All Saskatchewan motorists are insured by the government and pay their insurance when buying license plates, it was recalled.

In Alberta "financial responsibility" is covered under the Automobile Accident Indemnity Act, which provides for loss of license of uninsured drivers involved in accidents under which a fund is set up to reimburse accident victims, who fail to collect from those responsible for the accident.

Mr. Hudspeth brought the message from his own personal experience during the Second World War, when he was imprisoned by the Japanese for 90 days, and kept locked barred-wire for two and one-half years.

This, he said, burned into him very soon the truth that God's message cannot be restrained.

He spoke of his 28 years' service as a missionary in China as a "privilege" which had been given to him.

In Shanghai, he related, more Bibles were sold during 1948 than in the whole of Canada and the United States.

Mr. Hudspeth told of the untiring work of Robert Morrison, missionary to China, who, forbidden to preach, translated the entire Bible into literary Chinese.

One Christian baker, in China, he said, put a Bible text in three oriental languages into each box of biscuits he sent out.

The salvation of China, Mr. Hudspeth declared, will be found in Jesus Christ.

The war-weary people of that country, he explained, are turning to the teachings of Christianity for their deliverance.

## Well-Known City Druggist Dies

A well-known Edmonton druggist died Sunday night. He was Charles S. Miller, 7653 Jasper avenue.

Mr. Miller was a druggist at Graydon's Drug store on Jasper avenue, for 41 years.

On March 3, Mr. Miller had been in the University hospital. He was moved to St. Joseph's hospital in April where he died.

Born in St. Thomas, Ont., Mr. Miller graduated in pharmacy from the Ontario College of Pharmacy in 1904. He came west in 1907 and started work at Graydon's Drug store.

He was a member of the Elks Lodge. A bachelor, he is survived by two brothers, L. G. Miller of Vancouver, and H. A. Miller of Panamao, New York.

Funeral arrangements to be announced later will be by Howard McElride Funeral Service.

## 75,000 LICENSE PLATES ISSUED

Alberta's new license plates now appear on approximately 75,000 cars, trucks and other vehicles it was learned today.

Some motorists are still "taking a chance", but more than 30 of them lost their gamble last week in Edmonton alone and were haled into court.

The time for warnings is past. R. C. Arthur, deputy provincial secretary said Monday.

LOCAL FLOOD VICTIMS, Mrs. Ed Werner, daughter Bonnie and husband (in postman's uniform) are rescued from their inundated home Saturday in a boat manned by Gus Smith (holding child) and Vernon Arndt (standing in front). Scene is one-half mile south of city limits on Calgary highway where melt-water flowed ditches.

## City Utilities Revenue Up First Three Months

Revenue from Edmonton's utilities during the first three months of this year totalled \$2,256,904.02 compared with \$2,105,598.16 for the same period last year, an increase of \$151,305.86.

Expenditures for the three months this year were \$1,941,906.05 against \$1,672,265.59 for the period ended March 31, 1947, an increase of \$269,640.46.

Surplus for the 1948 period was \$344,998.97 compared with \$483,338.53 for the first three months of 1947, a decrease of \$138,339.56.

Revenue paid to the city treasurer's department from net surpluses and taxes during the 1948 period totalled \$209,746.71 compared with \$204,404.42 for the same period last year, an increase of \$5,342.29.

TRANSIT SYSTEM DEFICIT The transit system's deficit for the three months of this year was \$193,527.17 compared with \$7,673.73 for the same period last year, a decrease of \$185,853.44.

U.S. Air Force Officer Is Visitor

Lt.-Col. A. L. Pearl, base executive officer for the United States Air Force at Ladd Field, Fairbanks, was in Edmonton visitor today.

Col. Pearl was assistant chief of staff in charge of personnel to Brig.-Gen. L. W. Gaffney in Edmonton from 1943 to 1945.

For March, 1948 was \$605.34, and for February, \$118,541. In March last year the deficit was \$7,673.73.

Plant extension reserves and depreciation accounts were credited with \$344,907.67 during the 1948 period compared with \$380,998.93 for the same period last year, a decrease of \$36,091.26.

Other city landmarks he built include the Civic block, St. Mary's High school and Athabasca hall on the University campus. Poncha Mental Institute was another building which his firm helped construct.

One of his most recent jobs was an addition to the city power plant. His keen interest in civic affairs was reflected in service as a city alderman for three years, 1934, 1935 and 1936. He was an unsuccessful candidate for mayor in 1937.

He is survived by his wife, three daughters, Mrs. Charles Laury of Calgary, Mrs. John Dunlop of Halifax, and Mrs. William Hartwell of Roseton, Sask.; one son William R.C., and one step-son, Joseph Goodie of Edmonton. One sister, Mrs. Frank Potts, also survives.

Funeral arrangements will be announced later by Connolly-McKintyre.

## Dairy Delivery Men Have Headaches

Edmonton's street conditions are giving dairy delivery men headaches.

Delivery conditions Monday, following a heavy snowfall, were described by one dairyman as being "the worst in years".

Ten minutes after start of some deliveries today, he said, two trucks were stuck, and one team of horses had "walked out of their harness" when a wagon became mired.

Milk deliveries from the country have been "fairly good," he said.

## Oil From Leduc May Be To Blame

### Health Officer Reassures Citizens as to Water Safety

Oil from the Leduc field may be responsible for the oily taste in Edmonton's water supply.

Dr. G. M. Little, medical health officer, stated today it was possible that "part of the oily taste may be due to crude oil."

"Thousands of barrels of oil were blown out from the new-covered surface in the river, as is done at a short time ago. This field is located about 10 miles up river from city water intake," he said.

"That snow, with much of the oil in it, now entering the river in the form of water. Traces of oil have been reported on the surface of the river."

"It does not mix with water, so taking the water from below the surface in the river, as is done at present, would be expected to eliminate any gross amount of oil in the city's water supply."

"It is believed that some constituents of crude oil may be soluble in minute quantities, but sufficient to cause taste," Dr. Little said.

"We believe this taste problem may be troublesome only while the unusual large amounts of snow water are carrying much foreign material into the river."

"In the meantime, the provincial laboratory, the laboratory in the city water plant and our health department are carrying out repeated examinations of the water daily to secure it being safe for drinking purposes."

"Some citizens may be tempted to obtain water from wells in outlying areas of the city. I would warn them that many of these wells are potentially contaminated by surface drainage waters. In such cases the water may be palatable, but may be dangerous if not boiled," Dr. Little warned.

An injury to the left shoulder was suffered by three-year-old David Driscoll, 12708 118 street, about 3:35 p.m. Saturday.

The youngster was playing on the street in front of 11710 when he was injured. It is reported to have run into the side of a passing auto.

The car driver did not stop. It is believed he did not know the boy had run into his vehicle.

## Welfare Probe

Probe into child welfare conditions in Alberta will be resumed on May 10, it was announced today by J. Wilson, K.C., deputy attorney-general.

It is understood the date is actually the initiative as Chief Justice W. R. Howson, chairman of the Royal Commission, is still not fully recovered from recent illness.

Sittings of the three-man judicial Commission opened last August. The hearing was adjourned some weeks ago when the chairman went to hospital for a "check-up" and treatment.

The chief justice has left hospital. He is still not sufficiently recovered to resume his duties as chairman, it was stated today.

## City Man Located For Toronto Woman

Police have located J. A. Pinkert who was wanted urgently by his daughter, Mrs. Mary Walker, Toronto.

The woman wrote police here asking aid in locating her father whom she had not heard from in two years.

Mrs. Walker said her husband has been seriously ill since last November and on the way anxious to contact her father.

Mr. Pinkert is employed in a city department store and resides at 11029 96 street.

He has now contacted his daughter.

The accident occurred at 1 p.m. Sunday.

Police said Seen was driving north on 100 street and struck Moore's car on the left side as it was crossing the intersection.

Moore's car is said to have swung 15 feet in a semicircle.

Both cars were damaged. Front end, fender and headlights were damaged on Seen's vehicle. Moore's car was damaged on the left side.

## Johnny Black Crashes Into Boards But No Bones Broken

Crashes Into Boards  
But No Bones Broken

By Stan Mohr  
Bulletin Sports Editor

CALGARY, April 26. — Johnny Black provided a few anxious moments while Flyers sped through a Sunday workout in Victoria Avenue. At one stage Black, in typical harum-scarum style, went hurtling into the boards at the end of the rink with a loud bang.

He didn't get up very quickly, either, and there was a concerted dash to the spot on the part of his teammates. The colorful winger lay on the ice gasping and wheezing in an effort to catch his breath.

Thoughts went back to the night in the Edmonton Arena when Letbridge's Roy Heximer piled Black into the boards, resulting in a serious back injury. Was this to be a repetition?

As events proved it wasn't. Black shortly was able to regain his feet and after it was established that no bones had been broken or other injury incurred. Apart from a slight limp and a noticeable grimace when he touched a certain still tender spot on his anatomy, the club's No. 1 fun-maker appeared largely hale and hearty when the drill was over.

**DULL SKATES?**  
"He was inclined to blame 'dull skates' for the happening. However, trainer Doug Hardy, the gent whose job it is to see that the blades are razor-sharp along the edges, insisted the Black runners had received a sharpening following Saturday's practice.

There was no fooling about the Sunday workout. For better than an hour the boys went at it hammer and tongs. They warmed up and start followed with a series of forward lines against defense, wound up with a 30-minute scrimmage calculated to keep them sharp as can be for what promises to be a determined drive for the Allan Cup in the next two weeks.

The ice was a little heavy. But even this failed to put a damper on the proceedings. "At least it's good for the condition," someone remarked between gasps for air. Jack Manson, who filled in for Elwin (Al) Rollins on several occasions during the regular schedule, accompanied the team to Calgary. Consequently two netminders are available, a desirable state of affairs.

### To Keep Phoney Out of the Ring

MONTREAL, April 26. — (CP) — The Canadian Boxing Federation plans to force phoney fighters out of the ring by forcing them to fight under its jurisdiction to carry "holbrock" cards.

The cards, which will carry the fighter's name, photograph and in-formation, will probably be in use by June.

Hogan said the innovation is to prevent the use of phoney names in fights. Hogan said, "Many of them have been fighting three times in one week in various cities and towns under different names."

### MAIDS TOPPLE STARS TO WIN CAGE CROWN

TORONTO, April 26. — (CP) — Toronto's Montgomery-Mads finally broke western Canada's monopoly on the Canadian senior women's basketball title when they defeated Cardston Shooting Stars 37-22 here Saturday night to win the best-of-five series 3-1, and take the Underwood Trophy.

This time the title a Toronto team earned again won the east-west final. In 1956 a Windsor quintet defeated the west.

Mads won the first two games of the series 47-35 and 38-33, lost the third game to Cardston 36-34, and then came back Saturday night to win the fourth.

Nellie Madge Montgomery, with nine points, led Montgomery in a first quarter 9-7 lead. She then scored a steady but unspectacular during the first half.

Mads won the first two games of the series 47-35 and 38-33, lost the third game to Cardston 36-34, and then came back Saturday night to win the fourth.

Shooting Stars captain, Ed Dowdle was outlasting, getting seven points and checking closely. Darlene Sayles, high-scoring for the Stars throughout the series and having an injured leg Saturday night, was held to five points.

**BOTH CLUBS SLOPPY**  
Both squads were a little sloppy but the taller and older Mads managed to sink 13 three-point goals to Shooting Stars four. Toronto outplayed Cardston for two-thirds of their field goal from rebounds off the backboard.

At half-time, Toronto was ahead 14-8 and then managed to hold their own in the third quarter to retain a 20-15 lead.

The final started slowly until Agnes Sloan, outstanding for the Stars, was sent out of the game with a knee injury.

Then, Mads began to roll and quickly backed by Dot McNeill, Mads won the first point.

### Senior Fastballers Open Season May 9

Edmonton and District Fastball Association, which operates at Kingsway Park, will swing into action May 9. The senior men's section will consist of six teams and the senior ladies will have at least three, and possibly four.

Taking the field in the men's race will be RCAF, Anavets, Norwood Legion 178, Central Legionnaires, Moose and Precision Machine. The girls will have South Side Athletics, Walk Rites and Morton's.

A team is also likely to be entered by Burns. City champions will represent the league in the provincial playoffs this season. The top three teams will play off for the Edmonton title. In previous years a provincial playoff preceded the city series.

In an effort to drum up added interest this season, it was decided to hold exhibition games with outside points on alternate Saturdays. Commercial and intermediate leagues are contemplating affiliation with the Edmonton and District Fastball Association, and a meeting of executives of the group will be held in the USO building Thursday night at 8 p.m.

— professional cards. In one recent instance, three Montreal amateurs were said to have fought in the same ring under different names.

The card is also designed to prevent the use of phoney names in fights. Hogan said, "Many of them have been fighting three times in one week in various cities and towns under different names."

Following are the winners of the various divisions: Intermediate, Bonnie Doo; Junior, Cloverdale; Midget, Cromdale; Bantam, Highland (for the second straight year); and pee wee, McAuley.

### Claims Billiard Endurance Record

COLEPORT, England, April 26. — (AP) — Norman Thomas, a 45-year-old carpenter, laid down his cue yesterday after 44 hours and 50 minutes of continuous billiard playing. He claimed a world endurance record.

Friends figured he took 8,648 steps around the table and covered 36 miles while his wife served him with sandwiches, tea and coffee. For a time Thomas played barefoot. "I was not unduly tired," he said, "but oh how my feet ached!"

### Ken Keltner's Home Runs Keep Indians' Slate Clean

NEW YORK, April 26. — Ken Keltner, batting third for the Indians, kept the Indians' slate clean with a home run in the first inning of a game against the Yankees.

Keltner led off for two against Hal Newhouser Sunday, driving home a run in the first inning.

home four as Cleveland beat Detroit Tuesday 7-4. First baseman Eddie Robinson also homered and catcher Jim Hearn drove in two runs with a triple.

Other American League games saw split doubleheaders between the Browns and White Sox at St. Louis and the Senators and Athletics at Washington while New York Yankees shaked Boston Red Sox 5-4.

New York Giants took a half-game lead in the National League

scramble, sweeping their double-header with Boston Braves by 6-2 and 6-0 scores for their fourth win in four games, beating two setbacks. Philadelphia Phillies took second place with a four-and-two record following their 6-3 victory at Brooklyn.

In other games, Chicago Cubs defeated St. Louis Cardinals 4-1 on Sunday. The Pirates won their first game since dropping the opener 7-4.

## Al Rollins "Under the Gun"

CALGARY, April 26.—Whether he knows it or not, Al Rollins, Flyers' net-minder who caught a place on the Western Canada League All-Stars, is going to be "under the gun" in the Allan Cup finals. . . According to a reliable report, William J. (Bill) Tobin, biggest of all big shots in the Chicago Black Hawks set-up, will take in the games against Ottawa with the eye in mind: to find out if Rollins has what's required to take over in the Chicago cage next season from Emile (The Cat) Francis. Rollins already has signed an agreement with the Windy City crew and will report for training next fall, likely at Regina. . . To further round out the goalkkeeping picture where Chicago and affiliates are concerned, it's understood that youthful Stu Hendry, the little pucky blocker who went in fine style for Wetaukwin Canadians this past season, will be given every opportunity to win the net-minding assignment at Kansas City in the U.S. loop. . . Oddly enough Hendry is one of Rollins' greatest admirers. . . He took in Flyers' Saturday workout and was heard enthusing: "I could watch that Rollins forever."

Still it's possible that in two or three years, the pair will be battling for the same job. . . Julie Sawchuk was a Sunday visitor to the Edmonton camp. . . First off he was one of a large group of railbirds who sat in on the morning workout. . . He called on the gang in the dressing room. . . He is on his way home to Leduc after a season with Cleveland Barons.

## Guy Patrick Eyes Flyers

Another who watched while the club went through its practice routine was Guy Patrick of the famous hockey family. . . The Pacific Coast puck luminary (he controls the professional hockey territorial rights in Vancouver), figures to come into a fat piece of change if the pros go in there again, as they may well do, was particularly keen to pass the time of day with Moece Rimstad. . . The Flyer pivoted played for Patrick's Vancouver Lions in the old PCHL. . . You can put it down now that, if Rimstad, who has been in the Flyers' man will get plenty of attention from the Flyers in the forthcoming series. . . His reputation as a nifty puck carrier has preceded him. . . He is a good enough loose out of his own end too often if Flyer forechecking can head him off.

Just as Tobin will be on hand to find out what goes with Rollins, so will Frank Brimacombe take in the finals for the express purpose of keeping an eye peeled on the activities of the Ottawa College student.

Mathers, who "belongs" to New York Rangers, already has shrugged off a \$10,000 fine (not available) to trade in his Ottawa sweater for one with New York across it. . . On the present road trip Flyer players are paired as follows: Rimstad-Lane; Fringle-Sutcliffe; Rollins-Kreller; Maher-Black; Manson-Battler; Young-Watt; MacPherson-Anderson; Golevchuk-Merluk.

## Thunder Storm, then Snow

It was a week-end of contrasts with the weather man. . . Saturday afternoon a thunder storm swept in over the mountains and 24 hours later it was snowing lustily. . . Eddie Simard, who has been in the city of the Ottawa crash by way of contract with 210-pound Butch Stahan who is anything but a shy operator. . . They say weather men are crazy. . . The latter got hold of a forward just right he knocks him into queer street. . . but quick. . . Calgary Stampede wound up the season Saturday night with a dinner and dance at the Palliser. . . No, neither the Flyers nor the Joe (Kansas City) Conn was around and about with Al Rollins. . . they were in the coast circuit through a year ago. . . Elmer Krehle, Rimstad and Gordon Watt ended Saturday night at the home of Bob Pentland, once of EAC Juniors. . . File this away for future reference: Neil Colville will coach New York Rovers next season, taking the place of Roy Kopp. . . The latter making a slow recovery in Los Angeles from the effects of a recent stroke.

If Flyers fear Ottawa they're keeping their apprehension well hidden. . . As Pug Young puts it: "This is my last season and it's sure great to wind up as a member of the Allan Cup champions." . . Still think most of the WHL kings wanted Hamilton to finish up against.

## Longden Up As Mafosta Wins Handily

SAN MATEO, Calif., April 26.—(CP)—Canadian-owned Mafosta, ridden by the veteran Johnny Longden, led all the way Saturday to win the \$10,000 added San Mateo Handicap at Bay Meadows by two lengths.

Mafosta, from the Montreal Stables of F. Ronald Graham, Vancouver, ran the 1-1/4 miles in 1:42.45. It was Mafosta's fourth victory of the meeting and his second \$10,000 stake race triumph in a row. Last Saturday the Montreal horse, ridden by Longden, won the six-furlong Hayward Morrison Handicap by half a length.

The San Mateo Handicap was regarded as a preview of the \$50,000 added 1-1/4 mile Bay Meadows Handicap scheduled next Saturday and Mafosta showed his heels to his chief rivals for what he, the richest event of the meeting.

Johnny Longden goes up to bat as Bay Meadows jockeys oppose a crack greyhound team at San Mateo, Calif., track, where the famous race rider recently rode his 3,000th winner.

## Derby 'Inflation' Hits Louisville

LOUISVILLE, Ky., April 26.—(AP)—The Kentucky Derby "inflation" has hit Louisville again. . . Hotels have announced increases in prices for the Derby season next week and many restaurants say they will hold their normal prices to face the occasion. The Derby will be run next Saturday. . . Hotel prices for three days, which have been accepted—will range from \$20 to \$50 a room. Normally they range from around \$3 to \$12. Suites range up to about \$15. . . During the war, when government controls were in operation.

## Grec To Meet Hurst For Title

MONTREAL, April 26.—(CP)—Johnny Green, Canadian welterweight champion, and Harry Hurst have been signed for a title match May 18, it was announced Saturday. . . The two Montreal fighters met several months ago. The champion took a nine count early in the fight but finished strong and bid Hurst to bad shape during the last two rounds. . . Hotels and other business establishments were barred from increasing their prices for the Derby. However, hotel rates, which expired last summer.

## CAHA Officials Silent On Campbell's Plan

TORONTO, April 26.—(CP)—The National Hockey League's proposed team-player contract plan which causes red faces in the ranks of the Canadian Amateur Hockey Association is scheduled to come before more than 100 delegates attending the final meeting of the association's three-day annual meeting held here.

The plan, offered by President Clarence Campbell of the NHL, has been judged through the past two days' session of the meeting. . . The CAHA, accused in the past by professional leagues of operating under the guise of "amateurism," has repeatedly been embarrassed by proposals that it turn professional.

Delegates are anxiously waiting the report of a special contract committee which met with Campbell to study the NHL proposal, but so far the CAHA executive has declined to discuss the plan before the general meeting. . . Many veteran delegates have expressed opinion that the plan will merely give the NHL a complete monopoly over the CAHA players. . . Campbell, who has been in the city of the Ottawa crash by way of contract with 210-pound Butch Stahan who is anything but a shy operator. . . They say weather men are crazy. . . The latter got hold of a forward just right he knocks him into queer street. . . but quick. . . Calgary Stampede wound up the season Saturday night with a dinner and dance at the Palliser. . . ## Coaltown Stands Out As Derby Lunch Bet

If you're looking for a lunch bet in the Kentucky Derby it might be a good idea to string along with Coaltown. The Calumet farm colt was originally registered as Coletown for a settlement near Lexington. However, a mistake was made and he turned up in the lists of the Jockey Club as Coaltown.

Of course the son of Bull Lea-Rose has more to offer than just an oddity where his name is concerned. For instance last Friday at Keeneland he was an easy winner—the jack took him under a snail hold over the last three furlongs of a mile and one-eighth race. . . At he sped to a new track record.

Earlier this year he scored two easy triumphs at Hialeah, the second by 12 lengths. On the latter occasion he rocketed through his panels in 1:28 3/5 and that's not far off the world record for distance.

Balloons were raised at 2:00. Bolstered by a desperate cheer which once caused him to keel over during a workout, after which he suffered a severe hemorrhage, the Calumet star was kept out of competition, when he breached or slipped, Coaltown made strange and a direct result of the throat affliction.

## Bruins Run Wild To Ground Flyers In Junior Opener

Port Surprise Toronto Fans With Speed and 10-8 Victory

TORONTO, April 26.—(CP)—Port Arthur West End Bruins, pre-game underdogs, ran wild here Saturday night to score a 10-8 victory over Barrie Flyers in the opening game of their best-of-seven final for the Canadian Junior hockey championship.

The two clubs meet again here Monday night with the odds likely to swing in favor of Bruins. The western champion Port Arthur club surprised the 13,073 fans by taking control of the game at the opening face-off and never relinquishing the lead. The only time Barrie appeared dangerous was in the third quarter when they outscored the winners 3-2.

On the small end of 2-1 odds before the game, Bruins jumped into a 2-0 lead at the end of the first period and led 5-3 at the end of the second. Flyers scored twice in the third to score five goals while Bruins managed two. But the sudden rally fell short.

Rudy Mitty, star with last year's Memorial Cup champion Toronto St. Michael's College, was the big gun for the Bruins, firing two of their goals. Shifty Danny Lewicki and Alfie Childs came next with a brace each, while Dave Creighton, Fred Barret and Brad Bradley added singles. . . Billy Barrett and Whit Mousseau scored the eastern champion Flyers' goals.

Patricia Lawn Bowling Club will hold its semi-annual meeting at 8 p.m. in the clubhouse. Prospective players Flyers' members are also invited.

## Toilers Take Firm Grip on Cage Title

A trio of sharp-shooters who were in top form gave Edmonton "Y" Toilers a firm grip on the provincial junior basketball championship Saturday night when they defeated Calgary's Mount Royal College team 55-39 at West-glen gym.

The threesome who packed the dynamite were Don Atkinson, Manny Dwyer and Guy Cullitt, who scored 16, 13 and 12 points respectively. Al Savage was another high scorer of the evening, shaking up 10.

Second match of the two-game playoff series will be played at Calgary on Saturday. . . The Colleagues also uncovered a couple of potent point-scoring. Doug Barrett flipped the oval through the hoop for a nifty 13, and Gordon Carney collected an even dozen.

Well-timed passing, particularly the basket, and plenty of speed up the floor, paved the way to the Edmonton victory. Toilers made their move in the second quarter, outscoring the opposition 16-10. The Bruins held their lead at the end of the first. They were out in front 35-23 at three quarters and outscored the Calgaryans by five points in the fourth quarter.

Each lost a player via the foul route, Cullitt getting the worse for Toilers and Ted Allard conceding his quota for the Colleagues. . . It was a fast, exciting contest with the Northerners holding a slight edge in points within shooting range.

LINEUPS: Mount Royal—Allard 1, Sullivan 3, Burt 5, Krentholtz 4, Edwards 1, Colwell 12, Edgar 4, Thompson 2. Toilers—Dwyer 16, Creighton 13, Savage 12, Martin 5, Dave Sherrill, Bentley, Al 5, 6 1/2 lb. hockey official and —36.

Mortone senior ladies' football club will not hold a practice this week. It has difficulties in obtaining a gymnasium.

## Seeking Brooklyn Franchise in NHL

NEW YORK, April 26.—(AP)—The Tournament of Champions, Inc., announced Sunday that it will seek a Brooklyn franchise in the National Hockey League.

Ben B. Bodine, president of the organization, which is promoting the midwintery championship fight between Rocky Graziano and Tony Zale at Newark, N.J. June 9, said his group will apply for a franchise and hopes that the hockey referee will take up the matter at the next meeting.

Bodine said the games could be played at the 10,000-seat Garden of Eatin' in Brooklyn which, he said, could seat 16,000.

## Coaltown Stands Out As Derby Lunch Bet

If you're looking for a lunch bet in the Kentucky Derby it might be a good idea to string along with Coaltown. The Calumet farm colt was originally registered as Coletown for a settlement near Lexington. However, a mistake was made and he turned up in the lists of the Jockey Club as Coaltown.

Of course the son of Bull Lea-Rose has more to offer than just an oddity where his name is concerned. For instance last Friday at Keeneland he was an easy winner—the jack took him under a snail hold over the last three furlongs of a mile and one-eighth race. . . At he sped to a new track record.

Earlier this year he scored two easy triumphs at Hialeah, the second by 12 lengths. On the latter occasion he rocketed through his panels in 1:28 3/5 and that's not far off the world record for distance.

Balloons were raised at 2:00. Bolstered by a desperate cheer which once caused him to keel over during a workout, after which he suffered a severe hemorrhage, the Calumet star was kept out of competition, when he breached or slipped, Coaltown made strange and a direct result of the throat affliction.

## DISTRICT NEWS IN BRIEF

## Sea Cadets Open New Headquarters

Lac La Biche Mayor Officiates As New Exeter Commissioned

LAC LA BICHE, April 26. — At eight bells, or in other words 4 p.m., the ship's bell of RCSCS Exeter sounded the end of the afternoon watch and the new Sea Cadet headquarters in Lac La Biche was declared officially opened by the mayor of the town, Dr. Wm. Cadzow, M.D.

This was a gala event and an important one in this history of the corps. The cadets were present in uniform and the newly-formed Sea Cadet Mothers Club took over the galley and a lunch was served during the afternoon. It was open house and great numbers of the townspeople availed themselves of the invitation to come aboard and inspect the new headquarters.

The recently-manned knot boards and model craft were also on display. The room were decorated in a red, white and blue motif, even the table flowers carrying out the same idea, red and white carnations and blue iris being used. Everything indeed looked very neat and ship-shape.

The guests were welcomed on board by Rev. J. E. McGee, C.O. of the corps, assisted by Lieut. J. Wolstenholme, DCM. The ship's bell being used in the new establishment was presented by Lieut. C. Kilgiver, ED, RCSC Warrior Corps, Edmonton.

The new headquarters were made available to the public by the Lac La Biche school division. The building is a former army hut and was used as class rooms when the school which was recently opened in Lac La Biche was under construction.

## Credit Union's Deposits Increase

BEAVERLOUGE, April 26.—At a meeting of the Beaverlodge Credit Union held recently, several important subjects were dealt with, W. C. Schultz was chosen treasurer for the coming year.

It was decided to move the office from that of the town office to the Cockshutt Flow Co. building. A sign will be erected and the office will be open every day during regular business hours.

Several new members were admitted and deposits were substantially increased. This is an important step in the development of the enterprise in this district and gives promise of great success in the future.

## Berwyn Institute Completes Project

BERWYN, April 26.—Monthly meeting of the Women's Institute was held at the home of Mrs. A. Smith recently, with Mrs. H. Wharton, president in the chair. The project was a complete baby's layette collected from members, which will be sent to Romania. After the business was concluded, a very interesting talk was given by Miss Cecelia Connelly, district economist, on "Good Grooming and the New Look."

## Couple Married At Mountain Park

MOUNTAIN PARK, April 26.—Miss Regina China, only daughter of Mr. and Mrs. Peter Chiesa, and Alvin Della of Edmonton, were married recently in St. Catherine's Roman Catholic Church by Rev. ## Monarchs' Married Life Sees Many Historic Events

## FIRE DESTROYS STORE AT BRETON

BRETON, April 26.—A fire in Bergstrom's store burst out Wednesday night. Mr. Bergstrom had retired early and the fire was only able to get out with a few clothes. Neighbors arrived and helped to carry out about a ton of four from the shed at the back and they also managed to save the shed. The loss is partly covered by insurance.

## Bowden Hi Students Hold Annual Banquet

BOWDEN, April 26.—Bowden high school students entertained their parents, teachers and members of the school board at the annual graduation banquet recently. Leroy Field acted as toastmaster.

The toast to the king was proposed by Leroy Field and then to the graduates by Lois Anne Charlton, with response by Glen McKenzie. Tommy Jackson proposed the toast to the teachers and Principal A. Skelchey responded.

Coupled with the toast to the school board were the names Max Field and Roy Anderson, while the toast to parents was proposed by Alice Mortimer, with Mrs. J. Pickett responding. Musical program included solos by George Burton and Mrs. J. Pickett and a quartet selection by Slim Adair, Mac Cunningham, Ronald Bailey and Ronald Hawkins. Lois Anne Charlton gave a recitation.

## Old Landmark Is Torn Down

LYDDINSTOWN, April 26.—The old naturally makes way for the new and one of the old landmarks in Lyddinstown has been torn down to make room for modern office building.

Johnson's butcher shop building served as a reminder of early days here, having stood for about 40 years. It was built during the first few or three years of the Barr Colony and was the first brick building in Lyddinstown. Bricks were made from clay two miles north by James Gee, the site of the brick yard will be referred to as Gee's hill.

The late William Johnson was an original member of the Barr Colony. The building recently was acquired by Tom Johnson, who plans to erect a modern business block on the site.

## Mrs. Joseph Fuss Dies at Brightview

WETASKIN, April 26.—Funeral services were held in the Roman Catholic Church at Brightview, recently for the late Mrs. Joseph Fuss, a resident of the district for 23 years. Rev. F. Ulmer and the Rev. J. Obinger officiated.

The deceased was born in Poland. Surviving are her husband, three sons, Harry, Harold and David, and three daughters, Josephine, Martha and Elsie and a brother, Arthur Watake of the city.

In early times bells were not cast in a mould but were made of thin plates of hammered iron, riveted together.

## FLOOD CONDITIONS ABATE AT TROCHU

TROCHU, April 26.—Flood conditions have not been as serious as had been anticipated in view of the quantity of snow, cold weather and warm spells. The situation is now being watched. Road conditions, however, have been bad. Highway across Ghost Pine flat on the way to the east of Trochu cut mines was covered with three feet of water, which has since receded, leaving a barely passable road. Two steel bridges near Linden on the Kneehill creek have been washed out.

## Forestburg Woman Dies in Calgary

CALGARY, April 26.—(CP)—Mrs. Hilma Christina Halberg, 61, of Forestburg, Alta., died in hospital here Saturday following a lengthy illness. She had resided at Forestburg for 23 years. Survivors include her widower; one son, Edward, Forestburg; a daughter, Mrs. A. E. McKernan, Edmonton; and a brother, Alec Granlan of Forestburg.

## Typical Wedding

It was when the typical wedding held "Russia Army at British red" when Britain had 1,000,000 unemployed and Canadian-born Bonny Law was to be replaced as prime minister by Stanley Baldwin.

In the sport world, it was the era of Suzanne Lenglen, starring in tennis at Wimbledon and Steve Donohue riding Papyrus to victory in the Epsom Derby. With that still under the "The Covered Wagon" was the hit of the silent screen and in the fashion realm the new look meant loose, shapeless dresses and small cloche hats pulled down over shingled hair.

Accounts of the 1923 wedding at Westminster Abbey in the 18-page newspapers of the day said the "bride's frank smile of pleasure touched a deep chord in the hearts of those who saw her." Through the years the affection in the hearts of the people has increased for both the King and Queen.

**MEMORABLE DATES**  
Here are some memorable dates in the lives of Britain's royal couple: Jan. 15, 1923—Engagement of the Duke of York and Lady Elizabeth Arundell.

## City Mortality Rate One of Lowest in N.A.

Edmonton's infant mortality rate of 32 per thousand living births is among the lowest on this continent. This was revealed in the annual report of the Local Board of Health filed Friday with the city commissioners.

The birthrate of 32.2 per 1,000 marks a substantial increase over 1946, and the total of 3,838 babies born in the city in 1947 is an increase of 18 per cent over 1946.

This increase has made itself felt in the Child Welfare and immunization clinics, and later will present an additional problem for schools and other institutions.

Deaths Down  
Resident deaths during 1947 totalled 908, or 17 per 1,000 of population.

The death rate from the three chief causes—heart disease, cancer, and intracranial lesions—showed a moderate reduction.

This is encouraging the report says, especially because in all these an upward trend has been evident in recent years.

Pneumonia, the fourth greatest cause of death, showed an increased rate which is the highest in the past seven years.

The report states that having in mind the miscellaneous results from penicillin and the sulfonamide drug in treatment of this disease, it must be concluded that cases which are afflicted are failing to seek medical care sufficiently early.

AUTO DEATHS  
Automobile accidents accounted for 17 deaths, the same as in 1946. Premature birth continues to be the greatest single cause of infant deaths. Of the 123 deaths in this group, approximately one quarter were due to prematurity.

Adequate pre-natal care is essential in avoiding this mishap, and this includes medical care early in pregnancy, the report states.

Reporting on communicable diseases, Dr. Little states that although a considerable number of poliomyelitis cases occurred in the surrounding district, none were reported in the city.

The increase noted in the case of tuberculosis was due chiefly to finding early cases by the mass X-ray survey being carried on by the provincial health department and the Alberta Tuberculosis Association.

"If all citizens participate in the survey, we may look forward to an effective control of this disease," the report emphasizes.

## COMMISSIONERS SEEK ROUTES APPROVAL

### MINISTER STILL SERIOUSLY ILL

Condition of Hon. W. A. Fallick, minister of public works, was reported this morning as "unchanged."

Mr. Fallick has been a patient in the University Hospital since April 16, when he collapsed in his office in the legislative buildings.

When first admitted to hospital his condition was described by attending physicians as "serious and critical." Since then some improvement has been noted though his condition is still said to be grave.

### Govt. Official Has Retired

Percy R. Elmer, superintendent of Dominion Government Telegraphs in Alberta, Saskatchewan and Peace River, has retired.

Mr. Elmer has been in the government service for 46 years. He started his telegraphic career as a messenger boy on the Great Northern Western Telegraph. Here he also took instruction as an operator.

He worked as an operator for the New York Central Railway until 1909 when he switched to the CPR.

He was employed by the CPR in Regina, Moose Jaw and Saskatoon. In 1920 he joined the staff of the Dominion Government Telegraph service, and was stationed at Fort Qu'Appelle, Saskatchewan until 1924.

When he was appointed circuit rider in Edmonton he was made superintendent in 1941.

During his retirement leave of six months, his position will be filled by W. C. Ford, as acting superintendent.

### Program Calls for More And Better Service in City

The 1948 program for conversion from street car to trolley bus operation on the transit system will be submitted to city council tonight for approval.

It calls for the extension of trolley coach service north on 124 street from 108 avenue to 118 avenue.

This service will commence on Sunday, May 2, or as soon thereafter as weather conditions will permit removal of track on 124 street from 107 avenue north to 113 avenue.

Lifting of track at 124 street and 107 avenue will necessitate turning of street cars operated on 107 avenue at 124 street.

A 12-minute service will be maintained during off-peak hours with a six minute schedule in operation during the rush periods on this line.

Calder service will operate on a shuttle basis from 118 avenue and 124 street, maintaining the present 12 minutes service with a 10 minute schedule during the rush hours.

Seven street cars, one snow sweeper, as well as the library car will be stored and serviced on spur tracks at 124 street just north of 118 avenue for this service.

Adequate arrangements will be made for transfer connection from Calder cars to the trolley buses operating on a six minute schedule from 118 avenue south on 124 street.

These buses will follow the present route south to Jasper avenue, east on the avenue and north on 99 street to 111 avenue and return.

Extra coaches operating on this route will turn on a new loop at 112 avenue and 124 street maintaining a three minute service during rush hours.

Proposed extension of the trolley bus service north of 111 avenue to 115 avenue and then east to 124 street will be begun in the summer.

### UFA Sponsor Country Meets

United Farmers of Alberta sponsored a series of educational meetings in country points during the past week.

Progress of the co-operative movement was detailed at each meeting by Lawrence Proudfoot, assistant educational director of the UFA.

UFA co-ops now have 138 oil agencies and 19 branch stores in the province.

Meetings were held in Lamont, Ponchaillou, Yorkville, Bremner and Sault Ste. Marie.

## Changes in Paving Charges Are Sought

Revamping of Edmonton's policy of assessing paving charges will be sought tonight before a meeting of city council.

Council will be asked to consider the adoption of a policy of assessing a perpetual charge against all property served by future paving projects. The charge will be approximately 43 cents a frontage foot.

Under the present structure assessments are levied on a 40-year basis with the city at large bearing the cost of paving intersections, two thirds of the "blank" pavement in case of residential streets and the cost of paving 40 years of 26 feet width on any street.

CONCUR WITH OWNERS  
City commissioners, submitting the proposal to council, concur with property owners on corner lots who contend flankage pavement benefits all residents of any block and therefore all should be required to bear part of the assessment.

In line with this argument, commissioners suggest that paving rates be increased from 232 cents a frontage foot to 36 cents, and that residential corner lots in addition be assessed at these rates on 15 per cent of their flankage.

The proposal would mean a tax increase of \$1.85 on inner lots, a decrease of \$1.85 on corner lots, and flankage paving would corner lot owners \$367 less than they are now paying.

This method of assessing would require a charter amendment as would the proposal to assess on a perpetuity basis, and commissioners recommend that an application be made to the provincial legislature at its next session for the amendments.

# Pensions Problem Harries Liberals

## Equal Freight Issue For Political Embarrassment

By Douglas How

OTTAWA, April 26.—(CP)—Refusing to be obscured, war pensions again are right hand on the front of Liberal members of Parliament.

Since before Christmas, pensions have persisted in being one of the top recurring issues of the present session, both publicly and behind the scenes.

The latest development—a vote on amendments to a government bill proposing a 15-per-cent increase in pensions for war disabled and widows and 20 per cent for dependents—probably will come in the Commons committee on veterans affairs this week.

It is expected to see Liberal members, not too happily, voting against opposition motions to invoke 25 or 33 1/3 per cent. holds.

### WAVING COSTLY

With any wavering, unless matched by some opposition support, the government could go against them and confront the government. A committee recommendation in favor of higher pensions. With only a 19 to 15 majority in membership, the Liberals are faced with the fact that George Chisholm, M.P., Fraser Valley, seconded the motion for 25 per cent, and thus secured the vote on that amount at least will be extremely tight.

# Arms for West Europe Under Consideration

OTTAWA, April 26.—(CP)—Should the Canadian government be asked to supply arms to the democracies of Western Europe, favorable consideration would be given, an authoritative source indicated last night.

He was commenting on the return to Washington from the Bogota Inter-American Conference of State Secretary Marshall to deal with "important events." One of these was understood to be a decision by the United States government on how to give military support to the projected Western European union.

### ANNOUNCEMENT EXPECTED

An announcement by President Truman on this major foreign policy development was expected shortly.

Should the United States decide to send arms and the Canadian government is asked to participate,

# KIDS REALLY "IN THE DOUGH" FOR SHORT TIME

CHILSEA, Mass., April 26.—(AP)—Dough was something that about a dozen kids had plenty of—until police stepped in.

Their wild spending spree ended Saturday when Patrolman Hugh Fitzpatrick overheard a little girl ask a very loud question: "How come I don't give me any of that dough?"

Inquiry brought forth information that the boy they had found \$50 hidden in the collar of a neighbor. He had distributed it among his friends. Officers recovered \$200. One little fellow was discovered trying to change a \$100 bill for purchase of a candy bar. The police still are searching for the missing \$200.

# Inter-American Meeting Delegate Club Speaker

## Mrs. H.A.K. Drury Tells of Guatemala, Results of Congress of Women

First Inter-American Congress of Women and customs of Guatemala will be the subject of Mrs. H. A. K. Drury of Ottawa when she will be guest speaker at a luncheon meeting to be held by the Women's Canadian Club of Edmonton at the Macdonald hotel Tuesday, 12:30 p.m.

Mrs. Drury was the Canadian delegate to the Inter-American Congress of Women held in Guatemala City. She represented the National Council of Women and Association of Canadian Clubs.

In her talk to the Canadian Club she will speak of the aims and accomplishments of the congress whose keynote was to work for peace and freedom. She will further speak on the customs, people, handicrafts, coffee, cocoa and rubber which she saw during her nine-month trip to Guatemala.

Speaking to the congress in Spanish she was justly proud when the emotional Latin crowd to congratulate her on her speech, shouting "viva el Canada".

Since her return to Canada in January she has spoken to women's organizations from Halifax to Vancouver. Mrs. Drury aptly terms the trip her "cross-Canada network". The address to the Canadian Club tomorrow will be her fifth lecture in the series. She has only one more club to address.

That busy at Mrs. Drury has been since her departure from Ottawa, she is enthusiastic about the trip. As she put it, this has to do with the fact that she has met and met Canadian women across Canada, for whom her respect and admiration know no bounds.

While in Guatemala Mrs. Drury was the guest of her son-in-law and daughter, Mr. and Mrs. C. Blair.

Theresa Hague, who was elected president of the Junior Catholic Women's League at a recent banquet held at the King Edward hotel.

# Candles-Light Cathedral For Saturday Wedding

Spring flowers and candles decorated All Saints' Cathedral for the wedding Saturday at 7:30 p.m. of Helen Mae Fawcett, daughter of Mr. and Mrs. W. M. Fawcett of Vancouver, formerly of Edmonton, and Frank H. Mathew, son of Mr. and Mrs. A. J. Mathew, of Edmonton.

The Very Rev. A. M. Treadwell performed the ceremony, and during the signing of the register the choir sang O Perfect Love.

The bride, given in marriage by her father, wore a floor-length gown of white crepe fashioned with a draped skirt and lily-petal bodice. A spray of lily-of-the-valley held her chapel veil in place and she carried a bouquet of red roses.

Her only jewelry was an amethyst pendant, gift of the bridegroom. Betty Fawcett and Virginia Pigeon attended the bride as bridesmaids. They wore gowns of lace over tulle. Miss Pigeon carried a bouquet of white roses.

Jack Mathew was best man and ushers were Bruce Mathew and David Pilling.

At a reception in the drawing room of the Macdonald hotel, following the ceremony, mothers of the bride and bridegroom received with the wedding party. Mrs. Fawcett wore a floor-length gown in a straw-colored sateen-backed crepe, complemented with black accessories and corsage of white roses and violets. Mrs. Mathew chose a black gown with a wide white shawl, black accessories and corsage of red roses.

A drier wedding cake flanked by vases of roses and white carnations. The bride's maid, George Kilgour proposed the toast to the bride.

BRIDGE  
Part Score Double  
Gives Vital Clue

By William E. McKenney  
The increased interest in tournament bridge is easily understood when one realizes the amount of relaxation and entertainment thousands of people get out of competition. Even the blind compete in tournaments.

The Eastern States regional tournament, recently held in New York City, attracted 104 pairs in the

Poland-Sweden Sign Trade Pact  
WARSAW, April 26.—(AP)—Poland and Sweden signed a one-year trade agreement Saturday, effective May 1. Under it, Poland will send 280,000 tons of coal, coke and other exports to Sweden, valued at 280,000,000 Swedish krona (\$77,800,000). She will receive from Sweden cellulose, iron machinery and horses valued at 150,000,000 krona (\$41,700,000).

20 Tons Of Gold Moved By Air

LONDON, April 26.—(Reuters)—Twenty tons of gold worth nearly £2,000,000 (\$8,000,000) arrived in Britain by air from Zurich, Switzerland, last week. A bank of England official said Saturday night that this routine movement of the gold had no significance.

to have four spades to double him the move the play that gave him the contract. He led the jack of spades.

West did not cover, so the jack held. A small spade was led next, and West put on the nine-spot. The trick was won with dummy's king and the diamond finesse taken, West winning.

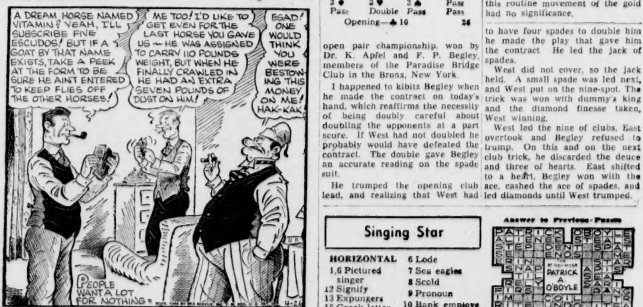

West led the nine of clubs. East trumped, and Begley refused to trump. On this and on the next club trick, he discarded the deuce and three of hearts. East chuffed to a heart. Begley won with the ace, cashed the ace of spades, and led diamonds until West trumped.
